## Verified product features

|    |                                                                                                                                                                   |
|----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 01 | COTTON BLEND MATERIAL: Made from a soft cotton blend fabric that provides comfort and warmth for patients in hospitals, nursing homes, and home care settings.    |
| 02 | GENEROUS SIZE: Measures 70 x 90 inches and weighs 1.75 lbs, offering full coverage as a twin-size blanket suitable for standard beds and care facility cots.      |
| 03 | NATURAL UNBLEACHED FABRIC: Features a natural, unbleached finish that is gentle on sensitive skin, making it ideal for extended patient use.                      |
| 04 | VERSATILE USE: Suitable for hospitals, nursing homes, spas, shelters, and home care, serving as a reliable bath blanket or patient covering across many settings. |
| 05 | DURABLE AND REUSABLE: Designed for repeated laundering and long-term institutional use, maintaining its integrity through frequent washing cycles.                |

## Technical record
