

Medical & Nursing Facilities / MED-905

Medorra 10 LPM Large-Flow Oxygen Concentrator

Medorra 10 LPM stationary oxygen concentrator with continuous large-flow output, digital controls, nebulizer-capable configuration, and braked casters

10 LITER
Oxygen Concentrator

Catalog number	MED-905
Category	Medical & Nursing Facilities
Pack / size	1 stationary unit
Listing ASIN	MEDOX10L
Specification status	OEM technical specification compiled; U.S. configuration and regulatory status require order-level verification
Source checked	August 10, 2026
Market / units	United States / U.S. customary units

Verified product features

01	Continuous-flow output adjustable from 0 to 10 LPM.
02	Large digital display, voice function, and braked casters.
03	Nebulizer-capable configuration with stated atomization output of at least 0.005 fl oz per minute.
04	Molecular-sieve oxygen generation with stated oxygen concentration of 93% +/- 3%.

Technical record

- Item code MEDOX10L
- Flow range 0-10 LPM; continuous flow
- Oxygen concentration 93% +/- 3%
- Output pressure 2.9-8.7 psi
- Electrical option 110V +/- 11V, 60 Hz; 800 VA
- Sound level 50 dBA
- Approximate size 13.5 x 12.0 x 22.2 in; net weight 44.1 lb

Handling, use & source record

Use only as directed on the physical product label and, where applicable, the current safety data sheet and equipment instructions. Do not infer a medical, disinfecting, regulatory, or performance claim beyond the approved Medorra listing and product documentation.
